

A Whole New Twist, Get the SWIRL

GE® "LEXAN" Resin **Wide Mouth Bottles (9500 Series)**

New bottle features our Swirl design. New larger, more durable leakproof cap design with longer "loop" for effortless "clip-on's". These new bottles are all made from the highest quality food and medical grade "GE LEXAN® materials". LEXAN® is well known for having the characteristics of glass (will not stain or leave any residual smell or taste) with unsurpassed versatility and durability. The unique properties of the LEXAN® resin give a useful temperature range of -211° F to +275° F. LEXAN® bottles are dishwasher safe (top rack). 63mm deep leak proof cap keeps dirt away from bottle opening and provides a solid leak proof seal. These versatile bottles are great for any liquid, hot or cold. Microwave and freezer safe. Every bottle has printed graduations (larger 34 ounce design) for easy measuring of protein drinks, powered food, formulas, drinks or any liquid needing measuring. Wide mouth design for easy filling, pouring & ice cubes...designed with a standard 63mm opening to accommodate all major water purifiers and filters. LEXAN® bottles resist staining and do not retain odors. Each with a color hang tag and GE LEXAN® brand hang tag.

Capacity: 34 oz.
